Students Satisfaction Survey (SSS) Report
on
Student's feedback on facilities and services of the college

Student satisfaction survey is an important instrument of understanding the thinking process of the learners of the institute. It is a tool to improve the overall process of teaching learning of the college. Due to its importance in the institutional development, National Assessment and Accreditation Council (NAAC) made it mandatory for the educational institutions.

During the academic year 2022-23 the feedback was collected from all the stakeholders of the institution. The feedback was collected via online mode <https://jsmalibag.edu.in/studentlogin.aspx>.

The feedback taken from students about the present syllabus, curriculum, Infrastructure facilities and overall learning process of the college reveals the following facts:

- The students have satisfied with the course contents and their expectations.
- According to feedback survey, students though that, the syllabus content and teaching methods are appropriate.
- The library is updated with reference books and study books.
- The syllabus focuses on crosscutting issues, suitable for global competency and employment.
- Students are satisfied with internal assessment and teacher's approach towards teaching.
- The syllabus has been covered in time.
- College campus Infrastructure facilities are as per student's requirement.
- Students are happy with the efforts taken by institution in terms of organisation of extra curriculum activities for student development and development of soft skills, employability skills and life skills etc.
- Students are satisfied with teaching and learning process including ICT based learning.

The feedback report is discussed in IQAC Committee meeting, approved and communicated to the authority for action taken. We have designed various kinds of feedbacks viz. Students Satisfaction Survey on Overall Institutional Performance, Feedback on teaching and learning process, Feedback on curriculum, Students feedback on Teacher.
