Observations on your Mentees Group

For mentoring system, T4BSc class-with 17 students are allotted to me. All mentees seems to be good in studies. During online lectures, as students are from rural areas, they faced network issues. But as offline college has started they enjoy offline learning. Some students face difficulty in coming to colleges as due to government order buses are not active.

Students Mentoring 2021-22

My mentoring group is of 23 mentees from S.Y.B.Sc. class. Out of them 6 are girls & 17 are boys. Two meetings of the group were held in the year. 13 to 15 students were attended regularly. Majority of students are coming from villages and facing various problems e.g. financial, family etc. After interaction with the students it is observed that they are facing the many difficulties during Covid 19 pandemic situation. It is observed that the main problem is ~~an~~ availability of the internet facility or mobile for online lectures. They are not ~~not~~ satisfy for online teaching. Mentoring of students is very much essential to understand students problems, resolved the issues and increasing the student teacher interaction.

Observations

My mentoring group is of 22 mentees from SYBSc class. Out of them 14 are girls and 8 boys. Two meetings of the group were held in the year. 20 students attended meeting regularly. 15 students are coming from nearby villages and 7 students are residing in Alibag city and nearby area. After interaction with the students it is observed that they face many difficulties during the COVID 19 pandemic situation. It is reported that they are facing the problems like non availability of the internet facility or mobile for online lectures. They were not happy with the system of online lectures, still many of them have secured good marks in the online exams. Majority of the students have an interest to perceive the higher studies like P.G. or the courses like LLB and MBA.

After starting the offline lectures and practical in the month of January 2022 they are facing the problem of transport to come to the college as there is a strike of S.T. service. All the students are eager to have offline and regular college as they had suffered lot due to Covid 19 pandemic situation.
