ORGANIZED BY

DEPARTMENT OF PHYSICS

14th -16th February, 2023,

Two day educational tour was organised by Department of physics to Shivaji University, and Siddhagiri math Kolhapur and Mahableshwar. The tour comprised students of F.Y.B. Sc and accompanied by faculty members Dr. S. A. Kanade and Miss Rukayya Kureshi. All the students were directed to gather at the college gate on 14th February, 2023 at 8 pm. We started our journey at 8:30 pm and reached Jyotiba on 15/2/2023 at 5 am. After taking darshan we moved towards Panhala fort a historic place. After Panhala fort we moved to Shahu Palace (A Historic Museum). After Shahu palace we visited Department of Physics, Shivaji university, Kolhapur at 1 pm.

Prof. (Dr.) Keshav Rajpure, Head of the Department interacted with the students and gave information about various opportunities for the students and various activities carried out by the Department. He also gave a complimentary copy of 'Research ecosystem'. A booklet describing activities carried out by the Department of Physics and Common facilities available at the Department.

The research scholars of the Department explained the working and applications of sophisticated instruments like FE-SEM, AFM Vector Network Analyser, Spectroscopic Ellipsometer, LCR-Q Meter SEM. The interaction of the students with the research scholars will definitely attract the students towards basic science.
