National Seminar on Sustainable Energy.
Department of Chemistry

Report

A national seminar on “Sustainable Energy” was organized by chemistry Department, J.S.M. College, Alibag on 15th Sept. 2022.

Prof. Dr. Sonali S. Patil, Vice Principal J.S.M. College, Alibag, Prof. A. V. Jadhav, Head of Chemistry Department, all staff members of Department & 56 Students of Department M.Sc. (Chemistry) & T.Y.B.Sc. Chemistry were present for offline seminars. Prof. Dr. S. S. Patil gave introductory speech followed by seminar speech by Prof. A. V. Jadhav on the topic Sustainable energy, and Miss. Pradnya Nagonkar and Miss. Rutika Patil on the topic Sources of sustainable energies.
Prof. S. L. Hake proposed vote of Thanks.

A note on the theme.

Topic: National Seminar on sustainable energy.

We know that, sustainable energy, such as wind, solar energy etc creates zero carbon emissions that cannot harm the atmosphere & zero contribution to global warming.

It off sets the needs for fossil fuels” which are actively increasing climate change & polluting our mother Earth.

Environmental & Economic benefits of using renewable energy include: “Generating energy that produces no greenhouse gas emission from fossil for & reduce types of all types of pollution. Also, diversity energy supply and reducing dependence on imported it.

The united nations principal vehicles for encouraging awareness & Action for the protection of the environment. Where a unique platform raising environment issues such as pollution, all types human overpopulation, deforestations, global warming.

By arranging such seminar has been raising awareness, supporting action & driving changes for the environment among our society.
