About The College

Janata Shikshan Mandal's Smt. Indirabai G. Kulkarni Arts, J.B.Sawant Science and Sau. Janakibai Kunte Commerce College popularly known as J.S.M. College was established in the year 1961.

The College is a reputed educational Institution which has been known for producing outstanding students who take on different careers, as per their academic merit, successfully in the society. University of Mumbai awarded the “Best College Award” to the College in 2019.

Our College is the pioneering college in the Raigad District beginning with the dynamic leadership of Adv. Datta Patil and later under the effective guidance of Adv. Gautam Patil, the college has reached the stage of academic excellence. Presently the college is equipped with advanced infrastructure including administrative block, lecture complex, well equipped laboratories & resource rich library all in a serene 5 acre campus on the seashore. Apart from regular B.A. (Marathi, English, Hindi, Economics, Political Science & Geography), B.Sc. (Chemistry, Physics & Botany) & B.Com courses we also have professional courses of B.Sc. (C.S.), B. Sc. (I.T.), BMS, post-graduate courses in Chemistry, Botany, Marathi, Hindi & Commerce along with Ph.D centers in Botany & Hindi.

The College has adopted the National Education Policy (NEP) 2020 & align its academic framework with its multidisciplinary, student centric vision.

Aims & Objectives of the conference :

The International Conference on Recent Trends in Sciences (ICRTS) aims to bring together leading academicians, researchers, industry experts and students from across the globe to share their knowledge, exchange innovative ideas and discuss emerging trends in science and technology. This online conference will serve as a dynamic platform to present cutting-edge research findings, foster collaborations and explore future directions across various scientific disciplines. With distinguished keynote speakers, invited lectures and paper presentations, the event will provide valuable insights into advancements and challenges in modern science. The conference encourages interdisciplinary dialogue, inspiring participants to bridge gaps between theory and application to contribute towards sustainable scientific and technological progress.
